What does your company do and what services do you offer?

Scott Builders Inc. was formed in 1971 and is a Design/Build Contractor operating out of five (5) full service branches in Ontario and Alberta. Scott specializes in a TOTAL CONSTRUCTION SERVICE, offering a single point of contact for every phase of the project – from site selection, planning, design & costing to construction, built to suit, leaseback, to interior design and landscaping.

How many people do you employ and what is the scope of your operation?

Scott employs 140 people.

With over 45 million square feet of commercial, industrial and community buildings in place, they have given form, structure and personality to a variety of end uses.

Scott have extensive experience not only in commercial, industrial, and community buildings but also in the design and construction of warehousing/distribution centres, aircraft hangars, freight terminals, arenas, offices, banks and restaurants.

Are there any highlights or major initiatives your company would like to publicize?

Scott Builders - Simply Green Building Program

More and more companies are realizing the benefit of green buildings. Bottom line performance is boosted by a healthier environment that elevates productivity, reduces turnover, lowers utility costs and increases value.

As a leading Design/Build Contractor with over 30 years of value engineering experience Scott can provide a comprehensive overview of the benefits of going GREEN and help you decide what works best for your business.
